

WONDER BEE

FACIAL SERUM WITH BEE VENOM

The extraordinary research work carried out by **LR WONDER COMPANY** has led to **WONDER BEE**, the line of **ANTI AGE PRODUCTS WITH BEE VENOM**. The **Wonder Bee** line includes a serum and a 24 h cream that contain a mixture of active ingredients. The most innovative is **BEE VENOM**, which is one of the most important new developments in the cosmetic industry. It is well known for its firming and age-blocking properties and is greatly appreciated by **ACTRESSES** and **INTERNATIONAL STARS**. **WONDER BEE FACE SERUM** contains:

- **HYALURONIC ACID** (moisturizing);
- **VITAMIN E** (powerful antioxidant);
- **POLLEN EXTRACT** (nourishing)

These incredible active ingredients, combined with **BEE VENOM**, work in synergy to restore skin elasticity and tone, leaving it moisturised and contrasting the signs of age. Even the driest and most fragile of skins will be extremely smooth. **LR WONDER COMPANY** has chosen an **AIRLESS** tube for the **WONDER BEE FACE SERUM**. It will dispense the correct amount of product and is easy to carry in your bag.

For better results, use with the bee venom face cream - suitable for every type of skin, the two are very good as a make-up base.
