ANTI-SMOG FACE CREAM - BARRIER EFFECT

The extraordinary research work carried out by **LR WONDER COMPANY** has led to **WONDER CREAM**, the new **ANTI-SMOG** face cream! It protects your skin from the worst polluting agents in the air, which accelerate ageing and make your skin dull and fragile. The **WONDER CREAM** face cream has a very particular mixture of active ingredients.

- **VITAMIN E** (powerful antioxidant);
- **ALGA ENTEROMORPHA** (seaweed that protects the skin);
- **COPAIBA AND ANDIROBA** (smoothing and purifying extracts from Amazonian plants);
- **SWEET ALMOND OIL** (nourishing).

It is an excellent barrier against free radicals and the ideal partner during the day for all the needs of skins that must appear young, bright and smooth. It is to be used daily and is ideal as a make-up base. It contains infrared/UV filters.
